Toma!! There wasn't time to switch to your wolf form!

Why did you. . . oh!

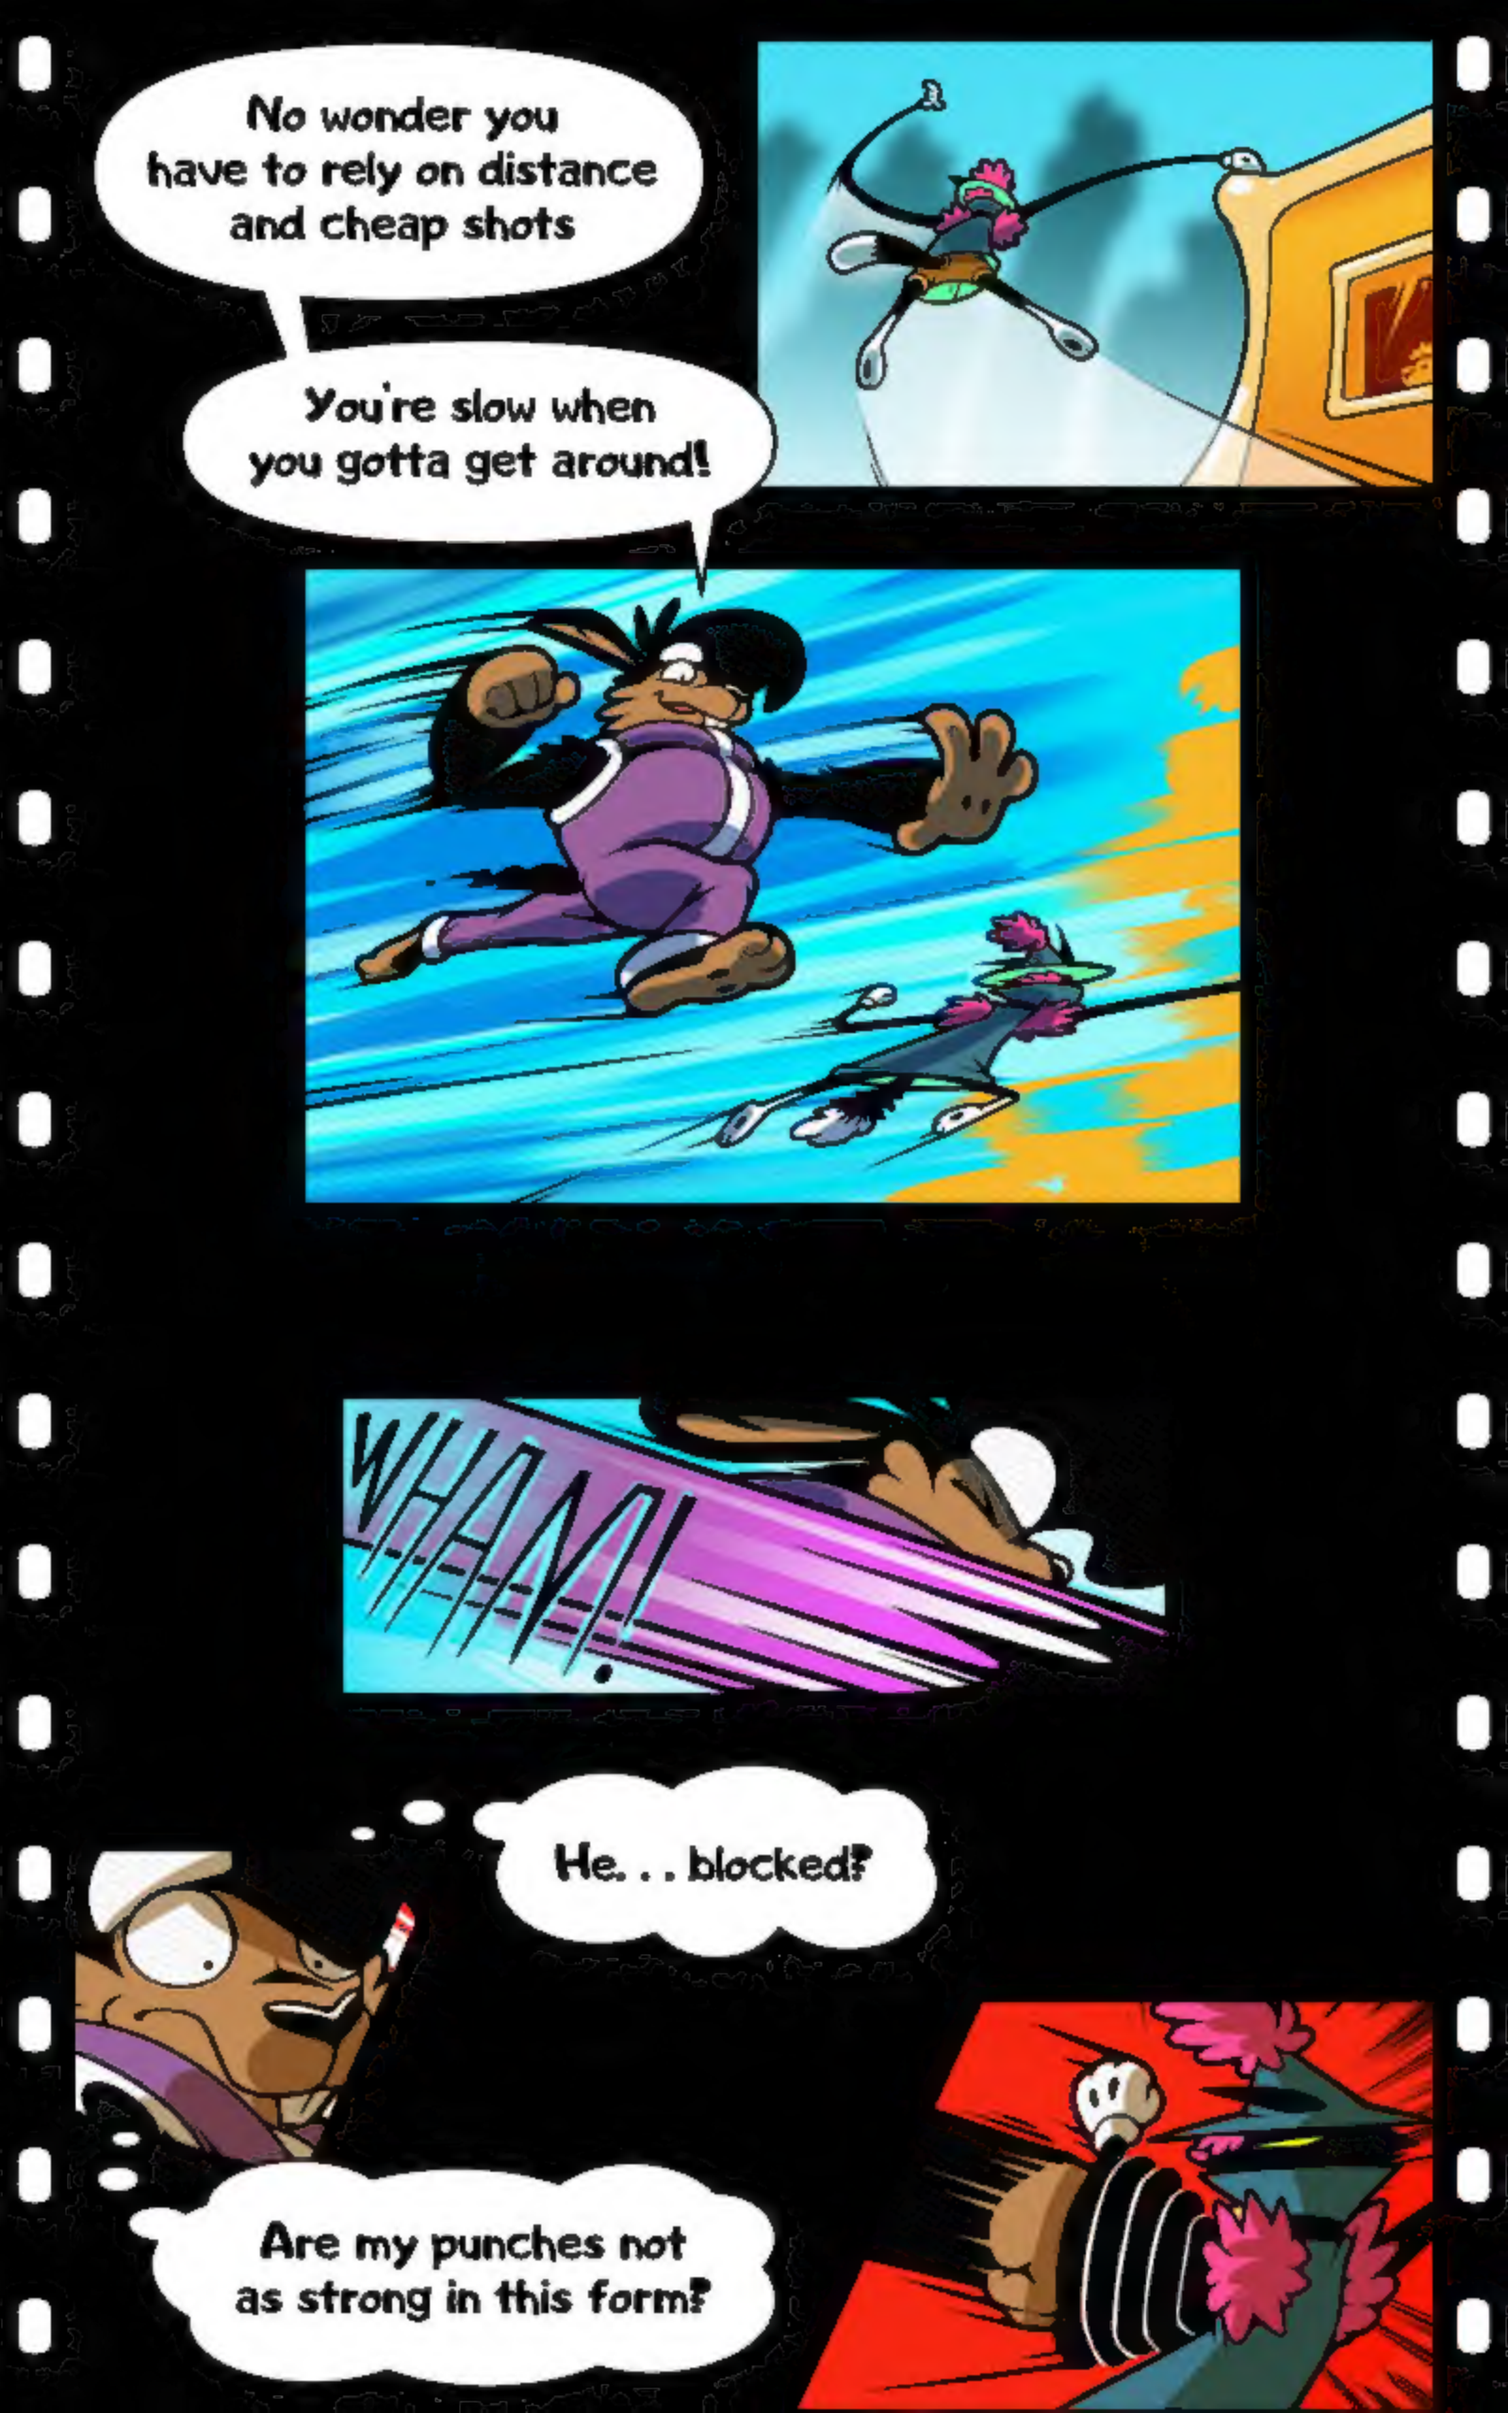
That. . . smarts! But I think it worked. I just needed enough momentum from it.

He knew you were going to switch back to the bunny. Already has a pie ready!

So what. Let him tag. I'm tired of running away. While he's wasting a shot on me. . .

I got the launch power to close the gap!

I won't give you any more chances to launch a single pie!



No wonder you have to rely on distance and cheap shots
You're slow when you gotta get around!
WHAM!
He. . . blocked?
Are my punches not as strong in this form?

CRASH

Rhodette
Lots of explosions today. OH! Met your wolf friend!
gdi what's he doing?
He's a rabbit now.
WHAT

You're so. . . tiny.
Want to call it here? I beat up a rat dude who was a million times your size the other day.
You harebrain. Ya think size has anything to do with who wins a fight?

Toons always have a surprise spring loaded!
